ING Romania joins the Network

ING Asigurari de Viata (Romania) has signed up a Partnership Agreement with the ING Employee Benefits Global Network

ING Asigurari de Viata is present in the Romanian market since 1997. In its 8 years of activities, the company has developed quickly and has been the Life insurance market leader since 1999. Our new Network Partner currently holds 44 % of the market. With its 69 offices throughout Romania and its 2,500 consultants focused on offering innovative products and services at the highest standards, ING Asigurari de Viata is determined to continue to excel in its market.

The company mainly focuses on individual business, as group contracts are currently not tax-favoured in Romania. However, group solutions for Pension, Life, Disability and Medical coverage can be offered and possible tax changes will be closely monitored.

The ING Employee Benefits Global Network welcomes this new partner and feels confident about both the growth potential of the Romanian market and the excellent position and capacities of ING Asigurari de Viata.
