Acibadem Sigorta becomes Network Partner in Turkey

We are pleased to inform you that we can now offer Life, Disability and Medical coverage in Turkey through our new Network Partner. The Life coverage will be equally available for multinational pooling purposes.

As of April 2008, Acibadem Sigorta has joined our global network, creating an important potential on this large market. Acibadem Saglik ve Hayat A.S. or Acibadem Health & Life insurance company (JSC) is the 3rd largest health insurer in Turkey. It is a sister company to the largest private healthcare group in Turkey, the Acibadem Healthcare Group.

We sincerely welcome our new partner on board and believe that we now have excellent capabilities in the growing Turkish Employee Benefits market!
