# Norwich Union becomes the ING Global Network Partner in the UK

The UK Insurer Norwich Union signed up a Partnership Agreement with the ING Employee Benefits Global Network.

Norwich Union, the leading UK insurer belonging to the Aviva Group, has decided to become a Partner of the Network. Our current Network Partner Scottish Equitable has decided to exit the Network as from December 31, 2005.

Our new Network Partner offers a wide range of insurance coverage in the UK. For Employee Benefits, they offer poolable Life contracts and they can offer solutions for Pension, Disability and Medical insurances for our clients.

The ING Global Network welcomes this new Partner and looks forward to develop and expand our portfolio of UK multinationals and foreign multinationals with a UK presence. Further details concerning existing individual contracts and pooling agreements will be provided on a case by case basis to all parties involved.
