

OneAnswer Frontier wins Money Magazine's Best Featured Pension Fund award

Friday, 13 January 2012

Money Magazine has awarded OneAnswer Frontier the winner of its Best Featured Pension Fund category, 2012.

Money Magazine said OneAnswer Frontier won because it provides investors with "great flexibility and extensive choice". The fund's connectivity with ANZ, providing customers with easy access to their Pension via ATMs and ANZ Internet Banking was also highlighted as an attractive feature.

The *Money Magazine* award follows on another award win for OneAnswer Frontier in 2011 by SuperRatings as the Rising Star of the Year and a finalist for Pension Product of the Year.

These awards represent strong independent endorsement of the recent improvements to OneAnswer in response to Adviser and client feedback.
